(Launching 2012)*

"Bringing local residents and businesses together."

*Aqualane Shores, Coquina Sands, Lake Park, Old Naples, Oyster Bay, Park Shore, Port Royal, Royal Harbor and The Moorings represent a large group of permanent and seasonal residents in the City of Naples. We are working to ensure the continued success of our local business community. **Resident Club Card™ (RCC)** represents 9 associations within the City of Naples to encourage their members to support locally owned businesses.*

Just a year ago, this program was created to encourage and support locally owned businesses in our community. It was created by three resident community leaders, Nancy Hurst, Marie Murphy and Amy Saad.

We have more than 16,000 residents potentially patronizing the more than 125 locally owned *RCC* businesses.

Please complete the agreement and return it via email to info@RCCNaples.com or PO Box 565, Naples, FL 34106. We welcome and encourage your *RCC* participation, and look forward to hearing from you soon. As a thank you for your generosity, you will receive your own *Resident Club Card* and decals for your establishment to show you are a participant in the *RCC* program!
